Dear Customer,

We are excited to announce that our Panasonic Smart Factory Solutions Customer **Tech-Day** will take place on two days to allow your flexibility. You select between the 09.03.2023 and the 10.03.2023 the day of your preference. 2 days of solutions introduction, product sessions, keynotes, and networking.

This is what awaits you:

- Guided tours in our Panasonic Customer eXperience Centre
- Participation of guest speakers & Panasonic partners
- Introduction of Panasonic's Sustainable Autonomous Factory
- Sessions to control, trace and optimize the whole production processes
- Introduction of solutions for "Any Mix, Any Volume" manufacturing
- A great network and exchange with our Panasonic experts

⇒ All visitors are welcomed to join our evening event on 9<sup>th</sup> March 2023.

The event will take place in our Customer eXperience Centre near Munich.

Please save the following details:
